FROM :

STAT

SUBJECT : Biweekly Report on Implementation of  
E.O. 11905 Secrecy Procedures

1. This memorandum is in response to your request for a biweekly report as to how Intelligence Community organizations are implementing the new secrecy procedures called for by E.O. 11905.

2. In spite of repeated calls, the NFIB Secretariat has still not received vote sheet actions from State, FBI and CIA on the proposed DCID 1/19, 'Nondisclosure Agreements for Intelligence Sources or Methods Information.'

3. On 22 June 1976 the DCI Security Committee met to consider a redraft of proposed DCID 1/19. DoD reaffirmed its position that the DCID should refer only to classified information. This disagreement between DIA and CIA will have to be resolved by the DCI or the NFIB. The problems presented by NSA are resolved in the new draft. CIA is in the process of providing comments on the new draft.

4. As soon as the comments of CIA, FBI and State are received, a recommendation will be prepared for the DCI's consideration.

E.O. 11905 Secrecy Procedures

1. This memorandum is in response to your request for a biweekly report as to how Intelligence Community organizations are implementing the new secrecy procedures called for by Executive Order 11905.

2. On 27 May 1976, the NFIB Secretariat circulated proposed DCID No. 1/19, "Nondisclosure Agreements for Intelligence Sources or Methods Information," for consideration by the National Foreign Intelligence Board.

3. To date, four agencies have submitted vote sheet actions. DIA proposes that the DCID refer only to classified information concerning sources and methods of intelligence. Two agencies, NSA and Treasury, are concerned regarding the legal basis for enforcement of these nondisclosure agreements. ERDA concurs.

4. These problems are being referred to the General Counsels for resolution.
